**REALTOR® Membership – Conditions and Obligations**

REALTOR® membership is billed on an annual basis, and dues payments include membership in the local, state and National Association of REALTORS®. All active licensees within a REALTOR® brokerage are billed annually for association dues until their license is released by that office. A licensee who transfers to a non-member (non-REALTOR®) office immediately terminates his/her individual REALTOR® membership. Annual dues are non-refundable.

A REALTOR® brokerage membership requires that all licensees within the office pay annual association dues. If a licensee in a member office elects not to join or elects not to pay dues, then the REALTOR® Designated Broker is billed for and obligated to pay that licensee's dues. Non-payment of dues for any licensee in an office may result in the suspension or termination of REALTOR® membership for that office and inactivating the membership status of all licensees within that office.

If you have a concern about payment of your REALTOR® membership, please discuss this with your broker.
